### BSB51415 Diploma of Project Management

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

#### Course Entry Requirements:

There are no pre-requisites for any of the units of competency contained within it. This course is available to all international students and Melbourne College of Business and Technology requires that students are able to provide evidence that they:

- Have demonstrated an IELTS level of at least 5.5 or equivalent (test results must be no more than 2 years old) or the successful completion of at least General English Upper Intermediate or English for Academic Purposes Upper Intermediate level.
- Have successfully completed Australian year 12 or equivalent.
- Are at least at age of 18 at the time of course commencement.
- Have a suitable level of language, literacy and numeracy to complete course requirements with or without additional support that Melbourne College of Business and Technology is able to provide (applicable for Level 1 countries only)

**Please Note:** All the students commencing this course are required to complete an LLN test and a pre-training interview on the orientation day to assist Melbourne College of Business and Technology to

identify student's needs for additional support during their study with Melbourne College of Business and Technology.

### Covid-19 Variation to Delivery and Assessment Strategy

#### **Additional entry requirements:**

- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
- Student must have access to working internet.
- Student must be able to attend scheduled theory classes and classes to be conducted in simulated environment (if schedule during Covid-19 is varied from original schedule).
- Student must have sound digital literacy.
- Where classroom visit is required to conduct the assessments in the compliant way and in accordance with Standard 1.8 of SRTO 2015, Melbourne College of Business and Technology would not be allowing more than 4 learners (or one group, whichever is less) in the class ensuring 4 sqm social distancing is maintained.

During COVID-19 (coronavirus) outbreak, Melbourne College of Business and Technology will use a flexible delivery mode for training and assessment, providing training package requirements allow for this. We would ensure that all regulatory requirements are met with as little disruptions possible. As circumstances change and restrictions are eased, these temporary arrangements will be reviewed, and enrolled students will be notified accordingly. Melbourne College of Business and Technology aims to review any changes in circumstances before commencement of each term so that it has least possible impact on students and course delivery.

Melbourne College of Business and Technology will seek student's consent of online delivery and assessment (where possible) prior to their enrolment during this Covid-19 outbreak.

We are fully committed to remain transparent on the mode of delivery, resources available to students, methods of assessment and how assessment in simulated environment will be managed. We ensure that:

- Students are treated fairly and reasonably.
- Any adjustments to courses are transparent and communicated clearly to students.
- All adjustments to course delivery, the process for informing and seeking students' consent, and information relevant to individual students is documented and retained.

#### **Orientation:**

New student Orientation will be done via phone, e-mail and Zoom. New students will receive an e-mail and call from the Admissions department on the Friday, prior to their date of commencement with all necessary further information and instructions.

If you have any questions regarding this process, please contact +61 (3) 9018 5699 or [enquiry@mcbt.vic.edu.au](mailto:enquiry@mcbt.vic.edu.au). Please email or call the Student administration should you require any additional support.

#### **Classes**

During Covid-19, Melbourne College of Business and Technology will transition to an online learning environment, this means there will be no face to classes running, unless required to be in simulated environment specifically in class; or covid-19 restrictions are eased and/or state government allow to return to full onsite learning. If any student require assistance with their online learning environment, student will notify their trainer and assessor where trainer/assessor will provide them with further guidance.

### **Current Situation**

Guided by the government advice and our own assessment, we will begin permitting more essential learning, support sessions, delivery and assessment and other related activities back on campus in the coming weeks. Students will be advised from time to time. To ensure we are carefully managing the number of students, staff and trainers/assessors on campus, Melbourne College of Business and Technology will initially provide specific approval (on a case-by-case basis) for anyone to attend campus. ### **Online options**

The online learning environment will be supported by a range of resources that will vary between units but may consist of learning summaries, video recordings or YouTube videos, and extra documents to aid student's learning. All training staff will be available online at scheduled class times to guide and support the student through their studies. The online learning environment will be available through using Zoom.

### **Assessment**

Assessment tasks will vary for each unit of competency, but some of these may be moved online. Some assessment tasks may also be delayed or deferred to a later date pending the situation with COVID-19. The trainers are required to communicate with students for unit specific information. The best way to do this is through Zoom or through email.

### **Support**

All staff at Melbourne College of Business and Technology will continue to work and will continue to provide the students with the support any individual may need. The student will be remained connected with each trainer/assessor through regular class participation to assist them continuing their studies. Melbourne College of Business and Technology will also provide online academic and language support and student support staff are always here to help.

### **OFFSHORE: Current and New Students**

**Please note that the Australian Government has closed entry into Australia. This excludes permanent resident, Australian citizens and their immediate family members.**

**In summary:**

- Some students currently offshore will be allowed to commence their studies online.
- The admissions process will be the same.
- Students will need to have meet all language, literacy and numeracy requirements.

**Pathways:**

Once students have successfully completed BSB51415 Diploma of Project Management, they can apply for various roles across project management positions that have responsibility for the work of other staff and lead teams.

The further study pathways available to students who undertake this qualification include:

- Advanced Diploma in related fields such as program management, leadership and management, business or other higher education qualifications.

**Course Structure:**

A total of 12 Units (8 Core and 4 electives) must be completed and deemed competent to achieve the qualification BSB51415 Diploma of Project Management. Participants who achieve competency in any unit/s will receive a Statement of Attainment (provided USI is verified) for that unit/s without completing all 12 units in the qualification. Students completing all the required units of competency will attain full qualification.
